**Re: FWCJUA PLAN OF OPERATIONS REVISION:
OPERATIONS MANUAL PAGE REVISIONS TO IMPLEMENT FWCJUA RATES FILED
TO BECOME EFFECTIVE DECEMBER 1, 2016 (File Log Number: FWC 16-26966)**

Dear Mr. Altmaier:

In accordance with the provisions of Section 627.311(5), Florida Statutes, and at the direction of the Board of Governors of the Florida Workers' Compensation Joint Underwriting Association, Inc. ("FWCJUA"), an FWCJUA Plan of Operation revision is being filed for approval to become effective December 1, 2016. Specifically, the FWCJUA Operations Manual, a part of the Plan of Operation, must be revised to reflect the revised FWCJUA rates that were recently filed to become applicable to new and renewal business written on or after December 1, 2016.

Attached are the proposed revisions to the FWCJUA Operations Manual with changes shown in yellow highlight. For ease of reference, the current edition of the proposed revised pages has been included for review. To complete this filing, I have also included the revised FWCJUA Operations Manual pages in final format reflecting the revised rates. The revised FWCJUA Operations Manual pages in final format were also filed with the FWCJUA's rate filing with File Log Number **FWC 16-26966**.

Please contact me should you have any questions regarding this filing.

Respectfully submitted,

Florida Workers' Compensation Joint Underwriting Association, Inc.

Laura S. Torrence
Executive Director

PROPOSED MANUAL CHANGES

business of the Employer within Florida plus the JUA flat fee is the lowest premium required in order to provide insurance under the Standard Policy. The minimum premium shall be stated on the Information Page on an estimated basis. The minimum premium for the one basic classification that best describes the business of the Employer within Florida plus the JUA flat fee is the lowest total policy premium for a policy period not longer than one year.

- b. **How Determined:** The minimum premium for a policy shall be determined on the basis of the highest minimum premium for any classification appearing on the policy. The one basic classification that best describes the business of the Employer within Florida shall appear on the policy.
- c. **Experience Rating:** The minimum premium is not subject to an experience rating modification.
- d. **Adjustment Upon Audit:** The minimum premium is subject to final adjustment and shall be determined upon audit on the following basis:
 - (1) **Minimum premium applicable to policies for which no exposure develops:** If no classification develops premium, the minimum premium for the one basic classification that best describes the business of the Employer within Florida shall apply;
 - (2) **Minimum premium applicable to policies for which exposure develops:** If premium develops under one or more classifications, the highest minimum premium for any of the classifications developing premium or the minimum premium for the one basic classification that best describes the business of the Employer within Florida shall apply, whichever results in the higher minimum premium.
- If final earned premium is less than the applicable minimum premium determined upon audit, that minimum premium shall be charged.
- e. **Special Minimum Premium Requirements:** Special minimum premium requirements exist for:
 - (1) increased limits of employers liability on a Standard Policy, and
 - (2) admiralty employments.

2. Deposit and Advance Premium Requirements

- a. **Deposit Premium:** A deposit premium may be required to secure or renew coverage in the FWCJUA. At final audit, the collected deposit premium shall be applied to any earned premium due or to the renewal premium (not to any renewal deposit premium that may be required). The amount of deposit premium is dependent upon the total estimated annual premium.
 - (1) **Total Estimated Annual Premium less than or equal to \$3,5004,000:** If total estimated annual premium is less than or equal to \$3,5004,000, the amount of deposit premium payable shall be equal to 50% of the total estimated annual premium.
 - (2) **Total Estimated Annual Premium greater than \$3,5004,000:** If total estimated annual premium is greater than \$3,5004,000, a deposit premium shall not be required.

Exceptions to (2):

 - (a) Any person who has been delinquent in the payment of premium, assessments, penalties, fees or surcharges owed to the FWCJUA on previous insurance may be required to send funds sufficient to establish a deposit premium equal to 50% of the total estimated annual premium.
 - (b) Any person delinquent in the payment of premium, assessments, penalties, fees or surcharges owed to the FWCJUA will be required to pay the debt in full prior to obtaining additional insurance through the FWCJUA and may be required to send funds sufficient to establish a deposit premium equal to 50% of the total estimated annual premium.

Exception to a: If less than 5% additional premium inclusive of fees and surcharges develops for the first policy year and through the second consecutive policy year, the Insured shall not be required to pay a deposit premium for the third consecutive policy year and for each consecutive policy year thereafter provided additional premium generated for each policy year is less than 5% inclusive of surcharges.
- b. **Advance Premium:** The amount of advance premium is dependent upon the total estimated annual premium.
 - (1) **Total Estimated Annual Premium less than or equal to \$1,000:** If total estimated annual premium is less than or equal to \$1,000, the amount of advance premium payable shall be equal to the total estimated annual premium.
 - (2) **Total Estimated Annual Premium greater than \$1,000:** If total estimated annual premium exceeds \$1,000, the amount of advance premium payable shall be at least 50% of total estimated annual premium, but not less than \$1,000. In addition, payments equal to the remaining balance in three equal payments rounded upward to the nearest dollar

- (5) **Applicable Surcharges & Fees:**
- (a) \$475 flat fee
 - (b) 20% above voluntary comparable premium
- (6) **Assessable Feature:** Tier 2 is not assessable.
- c. **Tier Three: (Rated and Non-rated Employers with "poor" loss experience)**
- (1) **Eligibility Criteria:** Includes all Insureds within the plan that are not eligible for Tier One or Tier Two.
 - (2) **Applicable Rates:** FWCJUA rates and minimum premiums
 - (3) **Applicable Surcharges & Fees:**
 - (a) \$475 flat fee
 - (b) **4627%** above voluntary comparable premium and the Assigned Risk Adjustment Program (ARAP) - (4) **Assessable Feature:** Tier 3 is an assessable rating tier. Employers qualifying for Tier 3 shall receive an assessable policy and shall be required to contribute on a pro-rata-earned-premium basis the money necessary to meet any assessment levied to cover any deficit attributable to Tier 3. Participants in Tier 3 may be assessed more than once, and any assessment may be made either while the Tier 3 policy is in effect or at any time after the termination, expiration or cancellation of the Tier 3 policy. Assessments levied against Tier 3 participants shall cover only the deficits attributable to Tier 3.

No Agency Producer fees are paid on any of the surcharges or fees listed above under Tiers 1, 2 or 3.

Employers are required to meet the eligibility criteria for Tiers 1, 2, and 3 at inception of a new or renewal policy, and the tier assignment shall apply throughout the policy period unless the tier assignment was incorrectly assigned or the Employer's experience rating modification or loss history report(s) with corresponding policy premium generated by prior workers compensation Insurer(s) valued as of the date immediately preceding the effective date of the new or renewal policy does not support the tier assignment.

8. Assigned Risk Adjustment Program (ARAP)

- a. **Eligibility:** An Employer shall be eligible for the Assigned Risk Adjustment Program if it is eligible for an experience rating modification and it qualifies for Tier 3. The application of this program is mandatory for all eligible Insureds and shall apply to all policies written for such Insureds. If an ARAP surcharge factor exists for an Employer qualifying for Tier 1 or Tier 2 it should not be applied to the FWCJUA policy.

b. **ARAP Surcharge Formula:**

- (1) After the calculation of the experience modification factor (M) for a particular Employer, the weighted test ratio (R) is calculated.

$$R = \frac{(0.5 - 0.5W) Ap}{M^*Ep} + \frac{(0.5 + 0.5W) A}{M^*E}$$

where:
 W is the weighting value
 A is the actual losses, as limited on a per accident basis
 Ap is the actual primary losses
 E is the total expected losses
 Ep is the expected primary losses
 M is the experience modification

All values are those used in the experience modification calculation.

- (2) If R is greater than 1.0, a surcharge factor S will be calculated using the following formula:

$$S = 1 + (0.08) E (R - 1)^{1.25} / (E + 3)^{0.5}$$

where: E is the total expected losses of the particular Insured shown in thousands.

E is determined as follows where E is in thousands:

If $E < 40$ then $E = E$

If $40 \leq E < 170$ then $E = 100 - 11.844 (170 - E)^{1/3}$

If $170 \leq E < 300$ then $E = 100 + 11.844 (E - 170)^{1/3}$

If $300 \leq E$ then $E = 160$

R is the weighted test ratio calculated in 2.a. R shall not exceed 2.0.

Effective JanuaryDecember 1, 2016 applicable to new and renewal business.

Employers qualifying for Tier 3 shall receive an assessable policy and shall be required to contribute on a pro-rata-earned-premium basis the money necessary to meet any assessment levied to cover any deficit attributable to Tier 3. Participants in Tier 3 may be assessed more than once, and any assessment may be made either while the Tier 3 policy is in effect or at any time after the termination, expiration or cancellation of the Tier 3 policy. 8. Assigned Risk Adjustment Program (ARAP)

- a. **Eligibility:** An Employer shall be eligible for the Assigned Risk Adjustment Program if it is eligible for an experience rating modification and it qualifies for Tier 3. The application of this program is mandatory for all eligible Insureds and shall apply to all policies written for such Insureds. If an ARAP surcharge factor exists for an Employer qualifying for Tier 1 or Tier 2 it should not be applied to the FWCJUA policy.

b. **ARAP Surcharge Formula:**

- (1) After the calculation of the experience modification factor (M) for a particular Employer, the weighted test ratio (R) is calculated.

$$R = \frac{(0.5 - 0.5W) Ap}{M^*Ep} + \frac{(0.5 + 0.5W) A}{M^*E}$$

where:
 W is the weighting value
 A is the actual losses, as limited on a per accident basis
 Ap is the actual primary losses
 E is the total expected losses
 Ep is the expected primary losses
 M is the experience modification

All values are those used in the experience modification calculation.

- (2) If R is greater than 1.0, a surcharge factor S will be calculated using the following formula:

$$S = 1 + (0.08) E (R - 1)^{1.25} / (E + 3)^{0.5}$$

where: E is the total expected losses of the particular Insured shown in thousands.

E is determined as follows where E is in thousands:

If $E < 40$ then $E = E$

If $40 \leq E < 170$ then $E = 100 - 11.844 (170 - E)^{1/3}$

If $170 \leq E < 300$ then $E = 100 + 11.844 (E - 170)^{1/3}$

If $300 \leq E$ then $E = 160$

R is the weighted test ratio calculated in 2.a. R shall not exceed 2.0.

Effective January 1, 2016 applicable to new and renewal business.

FINAL FORMATTED PAGES

business of the Employer within Florida plus the JUA flat fee is the lowest premium required in order to provide insurance under the Standard Policy. The minimum premium shall be stated on the Information Page on an estimated basis. The minimum premium for the one basic classification that best describes the business of the Employer within Florida plus the JUA flat fee is the lowest total policy premium for a policy period not longer than one year.

- b. **How Determined:** The minimum premium for a policy shall be determined on the basis of the highest minimum premium for any classification appearing on the policy. The one basic classification that best describes the business of the Employer within Florida shall appear on the policy.
- c. **Experience Rating:** The minimum premium is not subject to an experience rating modification.
- d. **Adjustment Upon Audit:** The minimum premium is subject to final adjustment and shall be determined upon audit on the following basis:
 - (1) **Minimum premium applicable to policies for which no exposure develops:** If no classification develops premium, the minimum premium for the one basic classification that best describes the business of the Employer within Florida shall apply;
 - (2) **Minimum premium applicable to policies for which exposure develops:** If premium develops under one or more classifications, the highest minimum premium for any of the classifications developing premium or the minimum premium for the one basic classification that best describes the business of the Employer within Florida shall apply, whichever results in the higher minimum premium.
- If final earned premium is less than the applicable minimum premium determined upon audit, that minimum premium shall be charged.
- e. **Special Minimum Premium Requirements:** Special minimum premium requirements exist for:
 - (1) increased limits of employers liability on a Standard Policy, and
 - (2) admiralty employments.

2. Deposit and Advance Premium Requirements

- a. **Deposit Premium:** A deposit premium may be required to secure or renew coverage in the FWCJUA. At final audit, the collected deposit premium shall be applied to any earned premium due or to the renewal premium (not to any renewal deposit premium that may be required). The amount of deposit premium is dependent upon the total estimated annual premium.
 - (1) **Total Estimated Annual Premium less than or equal to \$4,000:** If total estimated annual premium is less than or equal to \$4,000, the amount of deposit premium payable shall be equal to 50% of the total estimated annual premium.
 - (2) **Total Estimated Annual Premium greater than \$4,000:** If total estimated annual premium is greater than \$4,000, a deposit premium shall not be required.
Exceptions to (2):
 - (a) Any person who has been delinquent in the payment of premium, assessments, penalties, fees or surcharges owed to the FWCJUA on previous insurance may be required to send funds sufficient to establish a deposit premium equal to 50% of the total estimated annual premium.
 - (b) Any person delinquent in the payment of premium, assessments, penalties, fees or surcharges owed to the FWCJUA will be required to pay the debt in full prior to obtaining additional insurance through the FWCJUA and may be required to send funds sufficient to establish a deposit premium equal to 50% of the total estimated annual premium.
Exception to a: If less than 5% additional premium inclusive of fees and surcharges develops for the first policy year and through the second consecutive policy year, the Insured shall not be required to pay a deposit premium for the third consecutive policy year and for each consecutive policy year thereafter provided additional premium generated for each policy year is less than 5% inclusive of surcharges.
- b. **Advance Premium:** The amount of advance premium is dependent upon the total estimated annual premium.
 - (1) **Total Estimated Annual Premium less than or equal to \$1,000:** If total estimated annual premium is less than or equal to \$1,000, the amount of advance premium payable shall be equal to the total estimated annual premium.
 - (2) **Total Estimated Annual Premium greater than \$1,000:** If total estimated annual premium exceeds \$1,000, the amount of advance premium payable shall be at least 50% of total estimated annual premium, but not less than \$1,000. In addition, payments equal to the remaining balance in three equal payments rounded upward to the nearest dollar

- (5) **Applicable Surcharges & Fees:**
- (a) \$475 flat fee
 - (b) 20% above voluntary comparable premium
- (6) **Assessable Feature:** Tier 2 is not assessable.
- c. **Tier Three: (Rated and Non-rated Employers with "poor" loss experience)**
- (1) **Eligibility Criteria:** Includes all Insureds within the plan that are not eligible for Tier One or Tier Two.
 - (2) **Applicable Rates:** FWCJUA rates and minimum premiums
 - (3) **Applicable Surcharges & Fees:**
 - (a) \$475 flat fee
 - (b) 27% above voluntary comparable premium and the Assigned Risk Adjustment Program (ARAP) - (4) **Assessable Feature:** Tier 3 is an assessable rating tier. Employers qualifying for Tier 3 shall receive an assessable policy and shall be required to contribute on a pro-rata-earned-premium basis the money necessary to meet any assessment levied to cover any deficit attributable to Tier 3. Participants in Tier 3 may be assessed more than once, and any assessment may be made either while the Tier 3 policy is in effect or at any time after the termination, expiration or cancellation of the Tier 3 policy. Assessments levied against Tier 3 participants shall cover only the deficits attributable to Tier 3.

No Agency Producer fees are paid on any of the surcharges or fees listed above under Tiers 1, 2 or 3.

Employers are required to meet the eligibility criteria for Tiers 1, 2, and 3 at inception of a new or renewal policy, and the tier assignment shall apply throughout the policy period unless the tier assignment was incorrectly assigned or the Employer's experience rating modification or loss history report(s) with corresponding policy premium generated by prior workers compensation Insurer(s) valued as of the date immediately preceding the effective date of the new or renewal policy does not support the tier assignment.

8. Assigned Risk Adjustment Program (ARAP)

- a. **Eligibility:** An Employer shall be eligible for the Assigned Risk Adjustment Program if it is eligible for an experience rating modification and it qualifies for Tier 3. The application of this program is mandatory for all eligible Insureds and shall apply to all policies written for such Insureds. If an ARAP surcharge factor exists for an Employer qualifying for Tier 1 or Tier 2 it should not be applied to the FWCJUA policy.
- b. **ARAP Surcharge Formula:**

- (1) After the calculation of the experience modification factor (M) for a particular Employer, the weighted test ratio (R) is calculated.

$$R = \frac{(0.5 - 0.5W) Ap}{M*Ep} + \frac{(0.5 + 0.5W) A}{M*E}$$

where:
 W is the weighting value
 A is the actual losses, as limited on a per accident basis
 Ap is the actual primary losses
 E is the total expected losses
 Ep is the expected primary losses
 M is the experience modification

All values are those used in the experience modification calculation.

- (2) If R is greater than 1.0, a surcharge factor S will be calculated using the following formula:

$$S = 1 + (0.08) E (R - 1)^{1.25} / (E + 3)^{0.5}$$

where: E is the total expected losses of the particular Insured shown in thousands.

E is determined as follows where E is in thousands:

If $E < 40$ then $E = E$

If $40 \leq E < 170$ then $E = 100 - 11.844 (170 - E)^{1/3}$

If $170 \leq E < 300$ then $E = 100 + 11.844 (E - 170)^{1/3}$

If $300 \leq E$ then $E = 160$

R is the weighted test ratio calculated in 2.a. R shall not exceed 2.0.
